

## **National Capital Chapter of Alliance of Hazardous Materials Professionals**

Dear AHMP-National Capital Chapter Members & Friends,

Please join us as we look forward to another outstanding year! As the new President of NCC-AHMP, I want to invite you to our exciting schedule of events planned for 2019-2020. ***Let us know what hazardous materials topics interest you, and we will do our best to plan meetings related to these topics.*** We have a great year ahead with a wide variety of subject matter experts to present on relevant hazardous materials topics at professional development seminars and monthly dinner meetings. In an effort to increase member participation this year, we have selected meeting locations throughout the DC Metro Area.

This chapter is a resource for all of its members that when used effectively will benefit all members. Come use your chapter to learn, mingle with peers, job hunt, and develop your professional skills! Thank you in advance for participating and sharing your skill set with us!

If you are not a member or need to renew your membership, please visit our website:
